

ATTENTION FAMILIES

Beginning Wednesday, September 8, 2021 Carolyn Stokes will be implementing curbside drop off for students. There will be two identifiable staff members outside between 8:30-9:00am. We ask that you follow the recommendations below to help this process move as smoothly as possible.

- Please follow the arrows on the parking lot ground
- Please have the child masked up and ready to exit from the passenger side of the vehicle.
- Please stay in line until it's your child's turn to exit
- Please pull off once your child is safely out of the vehicle and in the care of our designated staff member
- If for any reason, your child refuses the exit the vehicle, you will be directed to park and walk the child to the building. We ask that all parents/guardians wear a mask.

Please note that this service is being done as a convenience for parents. If you desire to park and walk your child into the building, you are still more than welcome to do so.

Any child arriving after 9:00 am will be considered late. The parent will be required to then park in a designated parking spot and walk the child into the main office to sign in. If the child has not had breakfast, the parent will be required to accompany the child to the multipurpose room and sit with him/her as they eat.
