

March 30, 2020

Dear Families,

The Superintendent of Trenton Public Schools has extended school closures and unfortunately, we do not have a return date. Once we receive more information, we will ensure that families are notified.

I would like to thank everyone for being so responsive as we have been working hard to stay in communication during this difficult time. All parents should be receiving daily emails from your child's teacher(s), which include activities for you to do at home. Please don't forget to send pics of your child working or the completed activity to the teacher daily. Additional work packets are available on our website at www.carolynstokespreschool.org.

All teachers have also set up Google Classroom and invitations were emailed for you all to join. Teachers will be using Google Classroom to post links to student assignments and collect pictures of work. Each assignment focuses on an important skill that your child must master before entering Kindergarten. **It is very important that your child completes these assignments daily. Your child's attendance will be recorded once the teacher receives the day's assignments. Please send pics/videos of your child working to teachers by email or text.**

All families should have also received an invitation to join Epic (www.getepic.com) which is an online book website we are using for literacy activities and Happy Numbers (www.happynumbers.com) which is a math website. Teachers will assign lessons on these sites so please be sure to join.

Please be advised that food services will continue and breakfast/lunch can be picked up daily (between 11am-12:30pm) at the following school locations:

Mott Elementary
Joyce Kilmer School
Martin Luther King Elementary
Trenton Central High

Any inquiries regarding Child Care Connection can be sent directly to Ms. Marie at office@carolynstokes.org.

If you need any resources (food, shelter, health, etc), you can contact Mr. Mike at mdye@carolynstoke.org or Ms. Deedee at knorwood@carolynstokes.org.

Please feel free to send all other concerns and questions directly to the Director, Mrs. Turner at kturner@carolynstokes.org.

As always, be safe and we look forward to seeing you all very soon!

P.S. Follow us on Facebook and Instagram! We are posting some of the awesome work our children and parents have been doing
